## Kennedy 127 x 22mm AL/OX FIBRE DISCS P60

Aluminium Oxide General-Purpose Grade Resin fibre backed sanding discs are designed for a wide range of industrial applications. High speed penetration of tough and high tensile materials combined with long disc life and optimum flexibility ensure York sanding discs give first class performance every time. Recommended for use with all portable grinders and sanders.

| Specifications          | Details         |
|-------------------------|-----------------|
| Backing Material        | Fibre           |
| Grade                   | P60             |
| Weight                  | 1               |
| Product Number          | VA113           |
| Disc Diameter           | 127 mm          |
| Abrasive Material       | Aluminium Oxide |
| SKU                     | KEN2022260GTSK  |
| Vacuum Hole Design      | No Holes        |
| Maximum Operating Speed | 10000 rpm       |
| Bore Diameter           | 22 mm           |
| Brand                   | Kennedy         |
