Hermes VC154SK 150mm S/S AL/OX PAPER DISC W/O HOLES P120

Light and self-stick aluminium oxide abrasive paper with active additives Product Benefits: Flexible, wear-resitant Latex paper backing assures very good adaptations to contours. Low clogging with sanding dust due to semi-open coating and additional coating with additives. Consistent stock removal rates and consistent roughness values during the whole grinding process. Applications: Sanding lacquer of autobodies and attaching parts (cataphoretic painting/filler/topcoat), e.g. automotive industries.
